MEMORANDUM FOR THE RECORD

SUBJECT: Meeting Regarding Street Parking Problems at []
[]

25X1A6A

25X1

The following individuals attended a meeting regarding the street parking problems at [] on 3 May 1982.

25X1A6A

25X1A9A

The Acting Director of Logistics started the meeting by giving a brief overview of the past and present parking situation at the [] and the problems the Agency was having keeping employees and visitors from parking on the streets.

25X1A6A

25X1A9A

In addition to the above, [] addressed several short- and long-term solutions being studied by the Agency to help alleviate the problems. The short-term solutions that were discussed are: the Agency obtaining approval from the []

25X1A6A

25X1A6A

[] to utilize their lot until their space is occupied;

25X1A6A

ensuring that all Agency employees located in the [] and their visitors are aware of the street parking problems;

25X1A6A

having [] employees utilize the [] conference room

25X1A6A

for meetings when a large number of visitors will attend; and the implementation of the new parking allocations on 24 May. The solutions discussed that are long-term in nature were: the acquisition of additional spaces from neighboring buildings; the construction of an additional deck on the present garage; paving additional space within the present compound; and the acquisition of remote spaces (i.e., parking at [REDACTED])

25X1A6A

25X1A9A

[REDACTED] stated that he wanted to assure [REDACTED] that he was not here to register a complaint but appreciated the opportunity to discuss their concerns, i.e., the blocking of mailboxes which prohibits citizens from receiving mail, and the safety problems that are associated with street parking.

25X1A9A

While no decisions were reached, the meeting went very well. Both groups obtained a better understanding of each other's concerns and problems and agreed to keep an open dialogue in finding a solution.
